**SMALTO OPACO
DI FINITURA
CON ASPETTO**

ANTICHIZZANTE,
per interno-esterno.
Idoneo per applicazioni su
superfici in legno previa
applicazione di
D'ecò Universal Primer.
È possibile trattare in modo
analogo anche superfici in
muratura e cemento, recenti,
preferibilmente interne.
Ottima aderenza anche su
vecchie pitture purchè ben
ancoranti previa leggera
carteggiatura.

**ANTICORROSIVE
ENAMEL WITH
ANCIENT FINISH**

for interiors-exteriors.
Suitable for application
on wooden surfaces,
after application
of D'ecò Universal Primer.
It is possible to treat in
a similar way, also recent
brickworks and concrete
preferably inside.
Excellent adhesion also on
old coats of paints, if well
anchored and after light
sandblasting.

**LAQUE
ANTICORROSIVE
AVEC FINITION**

D'ASPECT ANCIEN,
pour intérieurs-extérieurs.
Convenable pour applications
sur surfaces en bois, qui ont
été préalablement traitées avec
D'ecò Universal Primer. Il est
possible de traiter similairement
aussi les murs et les surfaces en
béton, récents et de préférence
à l'intérieur. Adhérence
excellente aussi sur vieilles
couches de peintures, pourvu
qu'elles soient bien ancrées et
après un léger ponçage.

**ESMALTE
ANTICORROSIVO
CON ABACADO DE**

ASPECTO ANTIGUO,
para interiores-exteriore.
Muy bueno para aplicaciones
sobre soporte de madera,
previamente tratados con D'ecò
Universal Primer. Es posible
tratar de modo similar tambien
los muros y soportes en
hormigon recientes y de
preferencia al interior.
Optima adherencia tambien
sobre las capas viejas de
pinturas bien adheridas y
después ligeró lijado.
